

student information session

ciee study center in salvador da bahia, brazil

Come meet Sue Robinson from CIEE for information on CIEE study abroad programs in Salvador da Bahia, Brazil. CIEE offers a semester long Liberal Arts program and an Intensive Language and Culture program for the summer. Bring your questions and Sue will help you determine which program is right for you.

Liberal Arts—Semester

- Learn Portuguese through a four-week intensive language and culture program prior to the semester, followed by semester-long language courses at various levels
- Enroll in CIEE courses in Afro-Brazilian studies, with a focus on race, class, anthropology, and culture
- Participate in cultural and educational activities, including visits to a Candomblé ceremony, and an excursion to Rio de Janeiro

Intensive Language and Culture—Summer

- Learn Portuguese while gaining a deeper understanding of the cultural distinctions of Brazil
- Homestays; students become immersed in Brazilian life
- Cultural and educational activities, such as city tours and Brazilian concerts and films
- Excursions to sites of cultural importance, including a trip to a site in northeastern Brazil
